Event Notices

We will design **FULL PAGE (letter-size) EVENT POSTERS** for special events held at the community centres (some limitations apply). Posters will be printed in the Briar Crier (one month only) and advertised on the Briar Crier's website at www.briarcrier.ca (note that the current edition of the Briar Crier is available on-line as soon as it goes to print). We will supply an electronic copy of the poster, so that event organizers may print the poster for display in the Community Centre/s, as well as a copy for web/email use. If required, we will print a small text notice in the month preceding publication of the full page event poster, as well as a reminder (text only) in the month following publication of the poster. When submitting information, **please remember to indicate whether your event is open to both communities.**

You may email your submission to the Publisher (see left). If you cannot send your submission via email, you may **deliver a hand-written copy** to your **Community News Co-ordinator**
